For Immediate Release

OMEGA PSI PHI FRATERNITY SUPPORTS EFFORTS OF CONGRESSIONAL BLACK CAUCUS, BLACK RADIO, MEDIA, AND CIVIL RIGHTS GROUPS INVOLVED IN "JENA 6".

Omega Psi Phi Fraternity has a remarkable history of supporting civil rights and equal justice for all citizens. Additionally, Omega supports the efforts of the Congressional Black Caucus and the House Judiciary Committee to have open hearings on the alleged abuses of the criminal justice system regarding the 6 individuals accused in Jena, Louisiana.

Omega Psi Phi Fraternity deplors the use of violence to resolve racial injustice. We believe that fairness, equality, and the equal application of justice are the basic rights of American Citizens.

Our goal and hope is that the civil rights of all citizens are protected. We also strongly feel that the juvenile justice system is the appropriate place to resolve the issues surrounding "Jena 6".

We applaud the efforts of Black radio, media, civil rights groups, and all individuals in support of equal justice, and the work and attention that have been put towards this effort.

Finally, Omega Psi Phi calls upon its Brothers to support equal justice for all citizens and we demand an end to all acts of racial bias.
